

Jungian Book Club,

It was a pleasure to connect with you all earlier this week. It is always a wonderful experience to connect with others on Jung's work.

We have confirmed that our next date for our reading of "The Visions of Zosimos" will be on May 27th @ 7:00 PM (MDT) // 6:00 PM (PST): <http://meet.google.com/irc-jxci-rwc>

We have also created a Google Doc: <https://docs.google.com/document/d/1R5vyBLaSk1SI112j-OdytSdqqHIS8fgIJa4ljVfO-yM/edit?usp=sharing> - There is a link to the text here as well.

The intention with the Google Doc is to have a space where we can pin and post parts of the reading that we would like to go deeper into at our next meeting.

We have two sections: "Paragraphs/Quotes of Interest" & "Supplemental Resources"

Please feel free to paste any quotes or the paragraph numbers that you would like to address at our meeting. Don't hesitate on the number of quotes you post, we of course might not be able to get into all the citations, but it'll be a solid basis for our discussion.

With respect to the "Supplemental Resources" heading. Post any material that you find is connected to the reading material that may assist in deepening our understanding of the text. This can be text, audio, or videos you may come across.

Again, it was great to see people invigorated on the topic of alchemy and I look forward to connecting with you in the coming weeks.

Be well,

Thomas
